

DISCUSSION QUESTIONS ON

"A healthy sexual ethic"

BY REBECCA GREGOIRE LINDENBACH

- 1** Do you see a difference between the two ethics proposed in the article? Which have you experienced more of in the Church?
- 2** Have you seen any negative repercussions of the virginity-focused ethic? What have you seen that's been protective and helpful?
- 3** Currently, the onus of "staying pure" often falls more on girls than on boys. Why do you think this has happened? Can it be fixed?
- 4** With the typical virginity-based ethic, consent is rarely discussed in churches. Why do you think this is the case?
- 5** What do you think about a sexual ethic that remains the same regardless of marital status?
